Music: Šaban Bajramovic with Mostar Sevdah Reunion, Times Square Records TSQCD 9029 (2000). See [youtube.com/watch?v=5t4lIZqRGMU](https://www.youtube.com/watch?v=5t4lIZqRGMU)  
 From the liner notes: "Pena" means soap foam. Šaban sings of a girl he met in Sofia. He kissed her and her two beautiful eyes and suddenly she disappeared. He performs for the Roma in order to earn money to find her. He searches everywhere, but she has disappeared like foam. Only memories remain.  
 Lyrics: <http://www.galbano.co.yu>, edited to match what Šaban sings on the Mostar Sevdah Reunion recording.
