// Osman Aga, noćima lumpuje //
 // za rakiju to se zna zadnju paru da //

Osmana, Osmana, Osman Aga
 ja živim, ja živim od sjećanja
 Osmana, Osmana, Osman Aga
 yalla yalla, yalla yalla Osman Aga

// Osman Aga, imaš lepu kćerku //
 // daj mi je, daj mi je za bure rakije //

Osman Aga ti si meraklija
 Osman Aga ti si sevdalija
 // kćerka ti je kao cvet da ti budem zet //

Osman Aga has a party every night
 everyone knows he'll spend his last penny on rakija

Osmana, Osmana, Osman Aga
 I'm living, I'm living with memories
 Osmana, Osmana, Osmanaga
 yalla yalla, yalla yalla Osman Aga

Osman Aga, you have a beautiful daughter
 give her to me, give her to me for a barrel of rakija

Osman Aga, you have a passionate love of life
 Osman Aga, you are a sweetheart
 your daughter is like a flower, let me be your son-in-law

["Yalla yalla" may be in imitation of Arabic singing]
