dali mene ti me ljubiš, ne kažuvaj mi. //

Whenever I stop by your store,
I wish to hug you, to kiss you

Master (craftsman), my soul has become ill,
Tell me what you've done to me, my heart's burning, master

I'm sad until I see you
When you send me a smile, I rejoice

How much I love you, believe me
Do you love me as well, don't tell me
