123 123 Taxim 123, then:

123 123 Taxim 123, then:

(1) // Aj, kolo zaigraj, ajde, zapevaj
Dajte mi daire, da se razigram //

// Lido, Lido, Lido, Lidija, bruji čaršija
Lido, Lido, Lido, Lidija, (1) svak' mi ime zna //
(2) da sam najljepša //
(3) da sam tvoja ja //

(2) // Bas cela čaršija, moje ime zna
Svi kažu za mene, da sam najljepša //

(3) // Nek kolo zaigra, hoću da se zna
Nek čuju komšije da sam tvoja ja //

Rough translation:

Hey, let's dance, c'mon, let's sing
Give me my tambourine so I can play

Lidija, the marketplace is buzzing
Lidija, (Chorus 1) everyone knows my name
(Chorus 2) that I'm the most beautiful
(Chorus 3) that I'm yours

The whole village knows my name
They all tell me I'm the most beautiful

Let them dance, I want to know
Let the neighbors hear that I'm yours
