Dm

Baši tute nasvaljovav //

You've been around, you've seen a lot  
You didn't have to do this  
You have filled my youth with tears,  
You have sent me into mourning.

Ibraim, I love you, Ibraim, I'll marry you  
Ibraim, I'll die, I'm sick with love for you.

Without you my days are dark,  
Without you my nights are black.  
You have done an awful thing,  
You have forgotten about my love.
