Am Dm G7 C E7

Makedonsko devojče, kitka šarena

A Macedonian girl, a colorful bouquet

Am E7 Am

Vo gradina nabrana, dar podarena.

gathered in a garden, given like a gift.

A7 Dm G C E7

// Da li ima, na ovoj beli svet

Is there anywhere in the world

Bb Am E7 Am

Poubavo devojče od makedonče?

a girl more beautiful than a Macedonian girl?

A7 Dm G G7 C E7

Nema, nema, ne će se rodi

No, there isn't, nor will there ever be

Bb Am E7 Am

Poubavo devojče od makedonče! //

a girl more beautiful than a Macedonian girl.

Am Dm G7 C E7

Nema dzvezdi polični od tvojte oči

No stars are more beautiful than your eyes,

Am E7 Am

Da se noke na nebo den će razdeni.

bringing dawn to the night sky.

Am Dm G7 C E7

Koga kosi raspletiš kako koprina,

You who let down your hair like silk,

Am E7 Am

Lična si i polična od samovila.

You're lovely, more lovely than a spirit.

Am Dm G7 C E7

Koga pesne zapee, slavej nadpee

When she sings, she outsings a nightingale,

Am E7 Am

Koga oro zaigra, srce razigra.

When she dances, she delights the heart.

Last chorus: 1. A capella, 2. One extra time from "Nema"
