

# OSMAN AGA Alternate lyrics

Gm A7  
// Osmana, Osmana, Osmanaga  
Gm A7  
Yalla yalla, yalla yalla, Osmanaga //

Osman Aga,  
yalla yalla, Osmanaga

A7 Gm A7  
U toj krčmi sjedili smo često  
A7 Gm A7  
večeras je prazno tvoje mjesto  
Gm A7  
našu pjesmu pjevaju, a ti nisi tu  
Gm A7  
Osmanagu pjevaju, a ti nisi tu

We sit in this restaurant all the time  
tonight your seat is empty  
they're singing our song  
our song, Osmanaga, but you're not here

Gm A7  
Osmana, Osmana, Osmanaga  
Gm A7  
Ja živim, ja živim od sjećanja  
Gm A7  
Osmana, Osmana, Osmanaga  
Gm A7  
Yalla yalla, yalla yalla, Osmanaga

Osmanaga,  
I'm living, I'm living in memories  
Osmanaga,  
yalla yalla, Osmanaga

A7 Gm A7  
Igrala si pjevala si strasno  
A7 Gm A7  
mutne oči još te vide jasno  
Gm A7  
vatro moje mladosti, gdje si sada ti  
Gm A7  
vatro moje mladosti, s kim si sada ti

You were singing with passion  
clouded eyes still see you clearly  
the fire of our youth, where is it now?  
the fire of our youth, who has it now?

A7 Gm A7  
Šta je jutro bez sunčeva zraka  
A7 Gm A7  
to su noći bez pusta meraka  
Gm A7  
zato dođi zaigraj, srce razigraj  
Gm A7  
Osmanagu zaigraj, srce razigraj

What is the morning without the sun's rays,  
what is the night without passion?  
that's why you come and make my heart dance,  
Osman Aga, make my heart dance
